

Christchurch City Council - Fendalton Ward

David Benson - Council - Fendalton Ward

- 1 Using buses more. Cutting down on our use of plastic. Am promoting waste to energy. Have seen a plant operating in the USA a number of years ago.
- 2 Council has has this as a policy and if elected and policy is to be re confirmed I will vote for it.
- 3 Where practical and suitable.
- 4 If residents of the ward want to be heard I will support them
